Josephine County									
Cave Jct to	07	1200PST			0	0			Urban/Sml Stream Fld
Wolf Creek	10	1000PST							
	small stream flooding was county wide								

A series of storm systems dumped impressive amounts of rain over Southern Oregon Dec 7 through Dec 10. 24 hour rainfall between 4-8 inches fell along the coast and 2-6 inches inland. Most major rivers and many of the small streams in southwest Oregon flooded. Mudslides and flooding closed many roads and highways. About 11,000 home were with out power in Curry County then power transmission line were down by the storms.
